ORDER NO.

**SUBJECT:**

DOCKET NO. 2012-40-S - Application of Midlands Utility, Incorporated Requesting Modification of Its Tariff for Wastewater Service and Rate Adjustment to Residential and Commercial Customers in Richland, Lexington, Fairfield and Orangeburg Counties (Implementation of Analytical Testing Fee) - Discuss with the Commission the Request of Midlands Utility, Incorporated for Waiver of Hearing.

**COMMISSION ACTION:**

Having received no protests or petitions to intervene, I move to grant the request of Midlands Utility, Inc. to modify its tariff language without hearing to allow an analytical testing fee to be passed through to impacted customers without markup. S.C. Code Ann. 58-5-240(G) allows the Commission to approve rates or tariffs to be put into effect without a hearing when such rates or tariffs do not require a determination of the entire rate structure nor overall rate of return.
